As part of our legal obligations, we carry out **Know Your Customer (KYC)** checks to verify the identity of our clients and users.

Why We Do This

These checks are essential to:

- Prevent fraud, money laundering, and financial crime
- Ensure that all transactions on our platform are secure and lawful
- Comply with UK laws and regulatory standards

What We May Ask For

Before granting access to certain services—such as listing a property, managing a rental, or completing a financial transaction—we may request:

- A valid form of **photo ID** (e.g. passport or driving licence)
- **Proof of address** dated within the last 3 months (e.g. utility bill, bank statement)
- In some cases, further information such as source of funds or ownership documentation

These documents must be submitted digitally via our secure upload system or email, and we will confirm when your identity has been verified.

How Your Information Is Handled

We handle all personal data in accordance with the **UK GDPR** and our **Privacy Policy**. Your documents are stored securely and are only used for compliance purposes. We do not share KYC data with third parties unless required by law or regulatory authorities.

Failure to Provide Verification

If you are unable or unwilling to provide the required verification documents, we may have to **limit or deny access** to certain services, including listings, property management, or account approval.

9. Client Money Protection Statement

Golden Nest does not hold client funds such as deposits or rent. All funds are handled through secure channels and forwarded promptly to landlords or agents.

If this changes, we will register with a Client Money Protection (CMP) scheme and update our clients accordingly.
